

Habits for Life!

Laying the Foundations for Success!

The **JRC Learning Centers'** staff of trained and licensed educators is devoted to providing the absolute best early education and care to preschool children aged six weeks through 5 years, allowing parents to enjoy peace of mind while they work or further their education. Children who receive consistent, high-quality early education and care will display higher levels of school readiness. Students who enter kindergarten - ready to learn - achieve more success for a lifetime.

Teaching children *Healthy Habits for Lifetime* is a top priority at JRC Learning Centers! JRC educates children on a daily basis by providing healthy food choices and incorporating daily physical activity.

JRC's Intergenerational Connections Program brings children and seniors together to benefit both generations!
